International Conference on Non-Target Screening 2023

In the last years there were several very successful workshops for Non-Target Screening (NTS), which started in 2016 at the Non-Target meeting in Ascona, continuing with 'SWEMSA 2016' in Garching, 'SWEMSA 2019' in Erding, digital 'GC meets NTS' 2021 and 2022 as well as 2021 the hybrid conference 'ICNTS 21' in Erding.

Now again, Non-Target Screening and its applications are in the focus of an

INTERNATIONAL CONFERENCE

NTS users from all over the world and vendors from the field of instrumental analysis will present their latest results and applications in **keynote lectures, lecture sessions** and **poster sessions**.

You can apply for an **oral presentation** and/or a **poster presentation**.

Abstract Submission deadline: **31st May '23**

This conference will promote discussion on **NTS main topics**, such as:
