Experts from various
disciplines using NTS

In the last years there were several very successful workshops for Non-Target Screening (NTS), which started in 2016 at the Non-Target meeting in Ascona, continuing with 'SWEMSA 2016' in Garching, 'SWEMSA 2019' in Erding, digital 'GC meets NTS' 2021 and 2022 as well as 2021 and 2023 the hybrid conferences 'ICNTS 21' 'ICNTS 23' and 'ICNTS 25'. Again, Non-Target Screening and its applications are in the focus of an

INTERNATIONAL CONFERENCE

NTS users from all over the world and vendors from the field of instrumental analysis will present their latest results and applications in **keynote lectures**, **lecture sessions** and **poster sessions**.

You can apply for an **oral presentation** and/or a **poster presentation**.

Abstract Submission deadline: **31st May '27**

This conference will promote discussion on **NTS main topics**, such as:

- Computational Mass Spectrometry,
- NTS in Doping, Forensics, Health Care, and Products of Daily Use
- NTS in Environmental Analysis,
- NTS in Food(omics),
- NTS in Material Sciences
- NTS in Metabolomics,
- NTS in Process Monitoring,
- NTS in Commercial Solutions,
- NTS with Quality Standards, Data Standardization, Harmonization and Reporting

Please be aware, again various analytical techniques, used in NTS will be presented side by side:

- GC-MS(/MS) in NTS,
- LC-MS(/MS) in NTS,
- SFC-MS(/MS) in NTS
- CE-MS(/MS) in NTS,
- Multidimensional Chromatography in NTS
- Soft Ionization Techniques in NTS
- Ion-Mobility Mass Spectrometry in NTS
- Other Techniques in NTS like NMR, IR, etc.

**Apply for
an Oral or Poster Presentation –
until 31st May 2027**

Templates for abstract submissions, and further information will be online available at www.afin-ts.de/ICNTS27
